WHAT IS MASTERMINDS?

It's time to flex your mental muscles, bend your brain and give your grey matter a workout. Are you ready for CSEN Masterminds?

Far from just a 'Trivial Pursuit' of random questions, this day of cognitive competition involves 10 of your school's brightest students, each pair having a specialist subject area.

The competition has 5 rounds of questions in the following areas:

- Round 1: English (2 students)
- Round 2: Maths (2 students)
- Round 3: Science (2 students)
- Round 4: SOSE (History & Geography) (2 students)
- Round 5: General Knowledge (2 students plus 2 students drawn from the previous rounds)

So, what might the questions look like? Try your hand at these...

English – Beginning with the letter 'P', I can be cash, an officer, and a thief. What word am I?

Maths – What food would I be eating if the meal had a radius of 'z' and height of 'a'?

Science – If I'm feeling depressed, talking about Bernoulli's Principle always give me a...?

SOSE – What name was shared by Cyrus of Persia, Catherine of Russia, Alexander of Macedonia, and Herod of Judea?

General Knowledge – Which William Golding novel could be rephrased as 'Master of the Diptera'?

So, organise a team of 10 and enter. Hosted by Allen Dickson, it's sure to be a day of mastering your mind... without minding too much who ends up being the master.

Answers... Petty – Pixzxza – Lift – The Great – 'Lord of the Flies'

RISK WARNING UNDER SECTION 5M OF THE CIVIL LIABILITY ACT 2002

ON BEHALF OF CSEN AND CSEN MEMBER SCHOOLS

Sporting and Cultural Activities

Christian Schools Events Network (CSEN) administers and convenes CSEN inter-school sporting and cultural activities in which many students from its members' schools participate. Students participating in these events take part in practice, trials, workshops, and competitions.

CSEN and its members' schools expect students to take responsibility for their own safety during sporting activities by wearing compulsory safety equipment, by thinking carefully about the use of safety equipment that is highly recommended and by behaving in a safe and responsible manner towards team members, opponents, spectators, officials, property, and grounds. CSEN and its members' schools also expect parents, spectators, and other participants to behave in a safe and responsible manner, to comply with the CSEN Code of Conduct and to set a good example for the students.

While CSEN and its members schools take measures to make the sporting and cultural activities as safe as possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these sporting and cultural activities, whether at training or in actual events. Parents, spectators, and officials could also be injured or suffer loss.

Injury can occur while the student, parent, spectator, or official is engaging in or watching a sporting or cultural activity or travelling to and from the event. The injury may result from a student's actions, the actions of others, the state of the premises or from equipment failure.

On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion, or broken bones). In very rare cases an injury can be life threatening or result in permanent disability. If a student, parent, spectator, or official has a pre-existing injury, participating in a sporting or cultural activity could result in an exacerbation of that injury.

Students, parents, spectators, and officials could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.

CSEN does not provide Personal/Accident Insurance Cover

It is the responsibility of CSEN member schools to ensure that all teachers/parents/volunteers they send to a sporting or cultural event have a valid WWCC and / or VIT accreditation and have signed the CSEN Child Safe Policy Register at their school. This information will be forwarded to CSEN on a regular basis.

It is the responsibility of schools to ensure that all staff, students, and parents attending a CSEN event have been informed of this Risk Warning.

CHANGE ROOMS

CSEN recognises that children are particularly vulnerable in change rooms and that measures must be put in place to ensure that children are able to safely get changed without fear of intrusion or fear for their safety.

Generally, the expectation of CSEN is that Member School Staff and Member School Volunteers would appropriately supervise change rooms in accordance with Department of Education guidelines. The same goes for CSEN Staff and CSEN volunteers who may be required to supervise change rooms in the course of supervising CSEN Representatives at non-CSEN events.

Those guidelines are that change rooms should be supervised and supervisors should adhere to the following guidelines:

- give explicit instructions and guidelines for behaviour in change rooms
- ensure students and staff have been notified that mobile phones (and cameras) are prohibited in changerooms
- set a routine for going into change rooms and keep to it
- announce to students when entering the change room and allow time for students to cover up
- do not stand in change rooms while students are changing as students have a right to privacy, and
- staff should not be in a changeroom with one student / player.

While the issue of a supervisor of either sex supervising the change rooms of both sexes poses some difficulties, some suggestions for supervisors in this situation include:

- give explicit rules about what is expected of students' behaviour in the change rooms
- ensure that students know that if there is an emergency you will enter the change room
- choose two student representatives to report to you about any problems in the change rooms
- ask the students to come out of the change room if there is any disturbance
- if for some reason the students remain in the change room seek a person of the appropriate sex to go in, and
- if there is an emergency, let students know you are coming in and give a warning to cover up before going in.

Parents from member schools must be discouraged from entering the changerooms unless truly necessary.
